Never say never . . .

Romance isn't an option for Holly Greenwood. With her wedding planner career on the line she needs to stay focused, and that means pleasing her demanding boss, not getting distracted by her mind-alteringly hot neighbor . . .

Ex-Marine Kevin Vandemeer craves normalcy. Instead, he has a broken-down old house in need of a match and some gasoline, a meddling family, and the uncanny ability to attract the world's craziest women. At least that last one he can fix: he and his buddies have made a pact to swear off women, and this includes his sweetly sexy new neighbor.

After one hot night that looks a whole lot like a disaster in the light of day, Kevin and Holly are about to learn that true love doesn't play by the rules . . .
